If they're mothers they're giving just as much thought, and very likely more, to the youngster's wardrobe for Fall.

Boneless Smoked Shoulders are cut from only Vermont corn fed pigs.

We bone the fresh shoulder of pork and cure and smoke them the same as we do our Green Mountain brand hams.

Being boneless they slice up very nice and are cheaper than ham. Try one.

Men's \$10 and \$12 Suits.

Good Suits at medium prices will be very scarce in most stores this season.

There has been a big advance in the price of woolsens, trimmings, labor and, in fact, in everything that goes into a suit of clothes.

We anticipated this advance and wisely made provision for our Fall Stock before it took place.

THE RESULT

Today, we are showing the best \$10.00 and \$12.00 Men's Suits the town affords. The best tailoring—the best fabrics and the best of everything that it is possible for the money to procure.

The man who wants a medium priced Fall and Winter Suit, will make a bad blunder if he fails to come here for it.
